

Subject: Invitation to Perplexity AI Internship Sprint Program

Dear Gautam,

Congratulations! You have been selected as one of the top 100 candidates for the Perplexity AI Internship Sprint Program. This one-week remote sprint is designed to assess and mentor promising talent for potential future roles at Perplexity AI.

At Perplexity AI, we believe in nurturing innovative minds through hands-on experience. This sprint is an intensive program where selected participants will work on real-world AI and software challenges under the guidance of our experienced engineers. The goal is to provide exposure to cutting-edge technologies while evaluating candidates for future opportunities.

Program Details:

- Duration: Feb 28 – Mar 6
- Mode: Remote (Online)
- Focus Areas: AI-driven development, problem-solving, and real-world engineering challenges
- Opportunity: High-performing participants may be considered for internship opportunities

This sprint is an exclusive opportunity, and participation is mandatory for those who wish to advance to the next stage. Please confirm by replying to alex@perplexity.com by Feb 27. We look forward to seeing you in the program!

Upon confirming your participation, you will receive a detailed curriculum, along with guidelines and necessary resources to help you prepare for the sprint.

Best regards,

Alex Tomas
